"We highly recommend the products and services of Cross-Guard. Our partnership exists for 10 years now; that says it all."

Pieter van den Burg, ICTroom, Corporate Account Manager

"I have used Cross-Guard for all my secure cage builds and designs for over 10 years and have always found them to be professional and their work to be of the highest quality."

Matt Holloway, Control Circle, Datacentre Manager

"We have used Cross-Guard for the first time and we have been very impressed with the excellent service and fast turnaround they have provided us with. I would highly recommend them."

Reka Dobsi, Catsurveys Group, Office and Marketing Manager

"I have used Cross-Guard over the last 10 years in my various capacities. I am not easily pleased, but the quality of the cage works, professionalism with pre- and post-sales and installs is second to none. I have no hesitation in using them where the opportunity presents itself and happy to recommend."

Gary Kilmister, Pulsant Limited, Head of Data Centres

"I worked with Cross-Guard at a data center facility based in Paris, France. I found their quality of workmanship and install team always a pleasure to work with and would highly recommend them."

Martin Buckley, Digital Realty, Facilities Technician

"Quality product with excellent before and after sales service."

John Maccallum, Telecity Group, Data Centre Manager

"I first used Cross-Guard back in 2006 and found service, product and staff to be very good. I have subsequently used them several times over the past few years for cages. In my line of business, the big questions are would I recommend Cross-Guard and would I use them again? Yes and yes."

Adam Matthews, Overbury, Construction Manager

"I have used Cross-Guard on several occasions and have always found their work exceptional, delivered on time and to budget; I would always use Cross-Guard for work in and around secure environments."

Matthew Reid, CGI, UK Data Centre Manager
